Fall 2025 Research Safety Self-Evaluation %

Only complete one self-evaluation per lab. Please email us at $\underline{\text{ehs-labstaff@austin.utexas.edu}}$ if you have any questions about completing this self-evaluation.

Required This form will record your name, please fill your name.
Respondent Information
Principal Investigator's (PI) First Name *
Principal Investigator's (PI) Last Name *
PI's EID *
PI's Email *
Building *
College *
Department *
Submitter (if different from PI) *

General Safety

Are any personnel working in the lab unpaid (volunteers)? * Yes
○ No
The hazard information (GHS) on the lab signs posted by the lab entrance are current. Contact EHS to request changes. * Yes
○ No
○ Not Sure
○ N/A
Food and drink are prohibited in the lab. * Yes
○ No
○ Not Sure
○ N/A
Lab personnel know how to access Safety Data Sheets (SDS). * Yes
○ No
○ Not Sure
○ N/A
Clutter is kept to a minimum in the lab. *
○ No
○ Not Sure
○ N/A
Access to the lab is controlled when unoccupied (i.e., doors are locked). *
○ No
○ Not Sure
○ N/A

UT HERD

The lab group is registered in UT HERD. * Yes
○ No
If you are a new lab group and need access to UT HERD, contact EHS.*
Email Lab Safety: EHS-labstaff@austin.utexas.edu
The emergency contact information on lab signs posted by the entrance is current. Request changes through UT HERD by navigating to the "Placards" icon, selecting lab, and clicking on the "Edit Lab Placard" button. * Yes
○ No
○ Not Sure
○ N/A
Lab locations listed in UT HERD are current. Contact EHS to request changes. * Email Lab Safety: EHS-labstaff@austin.utexas.edu Yes No
○ Not Sure
○ N/A
Lab personnel list in UT HERD is current. This information can be found under the "Worker Registration" in the "Worker Attached to" table. *
○ No
○ Not Sure
○ N/A
The chemical inventory in UT HERD has been reviewed and updated this semester. You must document your inventory review using the Chemical Inventory Review Statement in the Chemical Inventory box. *
(Note: If you do not have any chemicals please sign the inventory review statement confirming there are no chemicals) Yes
○ No
○ Not Sure
○ N/A

UT HERD can be accessed via the "Lab Evaluations and UT HERD" section of the EHS website: https://ehs.utexas.edu/research-labs-clinical/lab-evaluations-and-ut-herd	The lab specific biosafety manual has been reviewed within the last year and uploade UT HERD. Log in to UT HERD to verify that your uploaded biosafety manual (in SOP Documents) is current and to update the review date. *
